

HONORARY & MEMORIAL GIFTS

Save the Animals Foundation's recognition boards provide a simple way to honor a lost friend or to honor someone with a donation in their name. For a donation of \$100 or more, a brass plaque with the name of the one you are remembering or honoring, as well as the name of the donor, will be placed on permanent display at our shelter.

Choose a memorial plaque to honor a beloved friend, relative or pet who has passed away. To honor and recognize someone with this special donation, choose an honor plaque.

In addition to the brass plaque, a memorial or honorary card will be sent either to you or the person you choose, to acknowledge your generous gift to the animals. This is a wonderful way to remember or honor those who have played or play a special role in our lives or in the lives of a loved one.

Because our shelter is staffed entirely by volunteers, you can be assured that your dollars go directly to the care of the animals. STAF is a 501(c)(3) non-profit organization, so your contribution is tax-deductible to the extent allowed by law.

**You can securely make your donation online at www.staf.org, following the "Donate Now" link, or fill out the coupon below and mail to:
