

Every year the Board of Directors and the cat and dog management teams choose one cat and one dog volunteer for our very special **Golden Paw Award**.

We are honored to present this year's Dog Golden Paw award to **Molly Lameier!** 🌈

Each year, we recognize one volunteer who has gone above and beyond in their dedication to the care and well-being of our animals. This year, we are thrilled to recognize Molly for her outstanding commitment to the dogs at STAF.

Molly gives an incredible amount of her time, energy, and love to our dogs. She goes above and beyond for all of our residents, with a special dedication to our longer-term dogs, including Sunday and Rex, whom she has spent countless hours training, caring for, and bringing home. She also coordinates weekend daycare visits, volunteers on additional shifts, takes dogs to off-site events, and consistently brings a positive, welcoming attitude to everything she does.

In fact, we had to ask around to figure out what Molly's "actual" shift at STAF is, because she spends so much of her time throughout the week caring for and advocating for our dogs!

Molly's generosity and dedication have made a meaningful difference in the lives of so many of our dogs, and her willingness to give her time and support wherever it is needed is truly exceptional. Her compassion not only improves the lives of the dogs in our care, but also makes STAF a better place for everyone who volunteers alongside her.

Please join us in giving Molly a huge congratulations and, even more importantly, a heartfelt thank you for everything she does. The dogs — and all of us at STAF — are incredibly lucky to have her! 🐾
